The college was the visionary project of Shri Jitendra Joshi, then chairman of the college and present Chancellor of the Uttarakhand University along with his plenipotentiaries from across the academic spectrum. Within a short span of time, the college registered its reckoning presence, becoming one of the most sought after destination in the field of legal education. The college which was initially affiliated to Hemwati Nandan Bahuguna Garhwal Central University became a top-spot, producing a series of gold medalists and university merit holders. As luck would have it, Law College Dehradun along-with its sister concerns Uttarakhand Institute of Technology and Uttarakhand Institute of Management reached its practical zenith through their merger in the form of Uttarakhand University in 2013 with the passing of Uttarakhand University Act, 2012.

Law College Dehradun inhabiting more than 1800 students on its roll is in fact, reflective of Indian Diaspora as its composition resonates the voices of almost all the states of India. The college as a lex matrix and an institutional paragon provides complete legal education under the single roof which includes five years BA. LL.B. (Hons.) and BBA.LL.B. (Hons.), LL.B. (Hons.), LL.M. & Doctoral programmed in law. Moreover, our Centre for Post Graduate Legal Studies constantly focuses on fostering inquisitive spirit and platonic-cum-epistemological quest among our post graduate students as well as research scholars. This confluence reflects a symphony of our institutional infrastructure, flexible academic curriculum, disciplinarian paraphernalia, socio-cultural objectives, academic-corporate interface and potential inducements for society centric academic researches and practices.

An institution bereft of socio-economic and cultural objectives is barren and unproductive. Keeping in mind, the college boasts certain societies like Debating Society, Youth Parliament Society, Moot Court Society and Legal Aid Centre which propels students towards professional achievements and welfare oriented objectives. Our research programmers too, reflect the same value preference. Also, it is our motto to mobilize and channelize the tremendous energy of our young students in a creative direction leading to creation of a creative talent pool assimilating their full potentiality to benefit the society in particular and humanity in general. Every institution boasts a vision and we are not an exception. Right from the beginning, we strenuously endeavored to metamorphose Law College Dehradun into a world-class institution imparting legal education accompanying a well cherished dream of becoming an institution of excellence across the globe producing legal professionals with humanitarian propensity.
