## SCHOLASTIK WORLD:

## JOURNAL ON SUSTAINABILITY AND DEVELOPMENT

Call for Papers: June-July Issue 2025

Sustainable development refers to a way of meeting present needs without compromising the ability of future generations to meet their own needs. It focuses on a balanced approach to economic growth, environmental protection, and social well-being through various means such as Environmental protection – conserving natural resources and ecosystems while minimizing pollution and waste, Economic growth – Promoting long-term economic stability without depleting resources or harming the environment, Social Equity – Ensuring fairness, equality, and access to essential services like healthcare, education, and clean water for all and Intergenerational Responsibility – Taking actions today that safeguard the well-being of future generations. Journal tries to explore the relatives to sustainable development and SDG's (Sustainable Development Goals).

Scholastik world: Journal on Sustainability and Development invites research papers and work for publication in the coming June Issue (2025). #science#technology#humanities&social sciences#management#law.
