MOOT PROPOSITION

Lakshmi is a 22 year old girl, working as a Secretary in a Private Firm for last 5-6 months and has been earning 8,000/- per month. She belongs to a lower middle class family of Bassi in Punjab. Her family consists of her father who is working as a Security Guard in a private firm; mother is a house-wife and two younger sisters and a younger brother.

In March 2020, due to break out of pandemic COVID-19, she lost her job. On 2nd of May, 2020, all of a sudden when her father was on duty, he got stomach-ache and for that he had to be taken to the hospital, where he was diagnosed with kidney failure and was admitted in private hospital where the daily expenses of treatment were 2000-3000/- approx. After 10 days of treatment, he got infected with Corona due to which his health deteriorated and ultimately he died on 25th May, 2020. All the family savings, jewellery etc. were used in paying the bills of the hospital and in the cremation of her father. Now, being the eldest daughter, the whole responsibility was on the shoulders of Lakshmi, so she tried to look for a new job, but as she was not highly qualified and due to COVID-19 situation, she could not get any job.

One day she received a SMS from a company named “Care and Money Services (CAMSS)”, that short-term easy loans without any security and documentation were available at cheaper rates of interest. Now she was in dire need of money, as her mother was also not keeping well after her father’s death, she thought of trying her luck, and she called back on the given number on 9th June, 2020. The call was attended by one Mr. Vinay, who represented himself to be the Executive of the company. Lakshmi told him that she had received a message from his number regarding availability of easy loans, to which she was interested and asked for the procedure. Mr. Vinay gave an assurance of help to her and informed her about CAMSS App. and provided her a link to download the same. Lakhmi downloaded the App and when opened it, she came to know about the formalities for loan. The only requirement for loan was Aadhaar Card and she could get a loan upto Rs. 5 lac @ 8.5% p.a. Now she felt happy and relieved that all her problems would be solved.

At first she applied for a loan of 50,000/- for the treatment of her mother for the period of two months, on 12th June, 2020. The Executive, Mr. Vinay, called her for confirmation of bank details, Aadhaar Card, and terms and conditions. Immediately after one day, i.e. 13th June, 2020 the loan amount was credited to her account. Lakshmi repaid this loan amount within two months from the gratuity received after the death of her father. But the family problems along with her mother's illness still persisted. In the meantime she had also developed friendly relations with Vinay, and started discussing family problems with him.

On 16th August, 2020, while talking to Lakshmi on phone, Vinay came to know about Lakshmi's family problems and suggested her to take another loan, and said that as she had repaid the earlier loan on time, she was eligible to get a bigger loan. On asking for the procedure for a loan of 7 lacs, Vinay replied that he would confirm it from his seniors. After two days, Lakshmi contacted Vinay to inquire about her loan status. Vinay replied that the company had denied her loan, as she was not providing any security. Lakshmi urged him to help as he being an insider, can help her to get the loan. Vinay said he will see what he could do.

On 21st August 2020, Vinay called Lakshmi and said that he again tried for getting her loan approved, but the company denied on the same grounds. Lakshmi again requested Vinay to look for some solution to the problem, for which he replied that 'I have an inside news that the Company is looking for someone to advertise for marketing purposes of company's new product'. As she was in dire need of money, she agreed to advertise on believing on Vinay. On getting consent, Vinay asked for some of her photographs and bio-data on WhatsApp. She immediately sent her photographs and bio-data to him. In the evening on the same day, Vinay called her back and said that the company has asked for some more photograph in a particular outfit, to which Lakshmi hesitated. But Vinay assured her that he will personally supervise the process of advertisement and also enticed her by saying that if everything went correct, he will help her to get more modeling contracts in future as he had contacts with many modeling agencies. On being influenced by Vinay, on Lakshmi sent the photographs on 1st September, 2020. This time the photographs were sent through an e-mail which was in the name of CAMMS, provided by Vinay.

Thereafter, on the same day Vinay sent her a Contract for Advertisement which was signed by Lakshmi and sent back on the same e-mail on 3rd September, 2020. After one week, through WhatsApp Call, Vinay demanded more bold photographs of Lakshmi and this demand was repetitive. Lakshmi denied to these demands of Vinay. On denial by Lakshmi, on 12th September, 2020, Vinay threatened her of dire consequences, as the Company will take legal action as she was making a breach of the contract. She felt perturbed and thought about it, felt helpless, acceded to his request and sent him the photographs on 14th September, on Vinay's WhatsApp number. Some of her morphed photographs were uploaded on some pornographic prohibited websites. There was no communication between the two for next ten days. In the meantime, on 20th September, one of Lakshmi's friends told her that her photographs were being circulated on prohibited websites. She felt shocked to know this. She immediately called Vinay to inquire about the matter, but Vinay did not respond. She repeatedly called Vinay and after sometime, he picked up the call and Lakshmi talked to him about the whole matter and asked him to help her. Vinay remained silent and disconnected the call. She again called him but he did not respond. Then she sent messages on WhatsApp but Vinay did not reply to any.

On 23rd September, Lakshmi was tensed and thought of contacting one of her friends, Kavita, who was a social worker and narrated the whole story to her. Kavita asked her whether she had signed any type of contract with CAMMS. Then she read the contract again and noticed that some of the terms were not in her favour and realized that she had signed the contract without giving a second thought to it. After this, she immediately called Vinay and questioned him about the terms and conditions of the contract. Vinay replied that she must have read the contract before signing. Then they entered into heated arguments and finally Vinay said in a threatening tone that you will have to comply with all the terms and conditions of the contract.

After two days, Vinay called her to meet at Hotel Shining Star, Patiala at 8 PM and also said that now she had no option but to come. Feeling trapped, Lakshmi went to meet him at the hotel, where Vinay was already present. She begged him to remove her photographs from the websites and also asked to terminate the contract. Vinay got aggressive and said that if she wants to get the contract terminated, she will have to pay him Rs. 10 lac within 15 days, else he will circulate all her photographs on websites. On hearing this, Lakshmi immediately left the place.

After reaching her home, she tried to contact the superiors in CAMMS through the App where she found the address and e-mail to be fake and the contact number was found to be in the name of Vinay. Then she remembered about the e-mail on which she had sent the photographs (provided by Vinay) and sent a complaint against Vinay on the same e-mail but she did not get any revert. Next morning she called Vinay asking him for any other way out, in reply to which he demanded physical favours from her. On hearing this, she got shattered. After 2-3 days she again contacted Kavita, and asked for her help. Kavita suggested that she should immediately file an FIR against Vinay. Finding no other way, on 4th October, 2020, she filed FIR at Police Station, Bassi. After preliminary investigation, police arrested Vinay on 6th October, 2020 and registered a case against him under Sections 420, 354, 354C, 383, 506 of IPC, 1860, Section 6 of The Indecent Representation of Women (Prohibition) Act, 1986, Sections 66A, 66E, 67A of IT Act, 2000. After the completion of investigation, the police filed the charge sheet in the Sessions Court, Fatehgarh Sahib on 25th October, 2020. The charges which were framed against Vinay were:

1. Whether Vinay is liable under S. 420 IPC, 1860?
2. Whether Vinay is liable under Ss. 354, 354C, 383, 506 of IPC, 1860?
3. Whether Vinay is liable under S. 6, The Indecent Representation of Women (Prohibition) Act, 1986?
4. Whether Vinay is liable under Ss. 66A, 66E, 67A of IT Act, 2000?

The trial was conducted partly through video conferencing and partly through physical hearing. The court after appraising the evidences and examining the statements of witnesses came to the conclusion that Vinay was not liable under Sections 420, 354, 354C, 383, 506 of IPC and Section 6 of The Indecent Representation of Women (Prohibition) Act, 1986 and is being held liable under Section 66 E, IT Act, 2000. It was established in the Court that Vinay had shared offensive photographs of Lakshmi, which were morphed and uploaded on websites. Hence, the court on 24th July, 2022 awarded him 6 months of imprisonment and 50,000 rupees as fine for an offence under S. 66E, IT Act and acquitted him, from all other charges.

On feeling aggrieved by the decision of the trial court, Lakshmi files an appeal on 26th September, 2022 in the Punjab & Haryana High Court, Chandigarh. Argue on behalf of or against the Appellant.
